

# Would You Consider Joining Our Alumni Committee?

March 7, 2019

Dear Parents and Guardians,

As our board expands their development roles and continues work on the strategic plan, one of our next (and crucial) steps is to create an organized alumni committee.

At the outset the main function of this committee will be to secure a complete list of contacts and then begin the important job of talking to them with some regularity. In the long run this group will not only promote the school and its current activities, but it will also work to raise funds to allow for additional development of the academy.

Given many of our parents and relatives of our students are alumni themselves, we felt reaching out to you would be a good first step. If you or someone you know is interested in joining our group, please complete and return the form below by March 22, 2019. We will look to hold our first meeting in April so we will be in touch quickly. Thank you in advance for your support!
